ligious welfare of the young men of the city, and in doing so would establish fer onville lest evening who had witness rooms, to be open every day and evening where papers, library, &c., &c., shall be found for all, free of charge; that icctures locally the library is a library in the well known host builder, Mr. James flowed for all, free of charge; that icctures locally in the library is a library in the well known host builder, Mr. James flower of the well known host bui ligious welfare of the young men of the Sa. We niet a party coming from where paper, library & declared vacual by her own and facility of the library of the laboration of the state of the state

would never be related to any body that noon yesterday an accident occurred on number of persons. He represented that as not clear upon that point. To him it the Lebanon Branch road, opposite Lo- he was appointed by the Governor of ver as Beker Machines will out sew in the more was vital. When the Catholics organized retto, by which a train was completely Georgia to purchase corn for that State, be rphan institutions, and other benevolent wrecked, but fortunately no one was inornban institutions, and other benevolent wrecked, but fortunately no one was inaccieties (for which he praised them), they never hesitated to let it be distinctly known that each institutions were Catholic, and he felt that it was right that over the portais of the Young Men's Christian Assoclation should be written, "Protclation should be written, "Protcetantism." The question was then desome uniformly properly forged, he succeeded in getting from some of our business men considerable of our business men cons estantiam." The question was then desome miraculous means no oue was hurt.

The passenger train from Nashville to this city left the former place at 6:30 yesterday morning, and proceeded as far as "Buck Lodge," Tenn, when, all of a maded, and an overwhelming majority decided to anstain the article, and the viewsofthepastorof Walnut-atreet Baptist Church. And we must say that the young men who voted, voted with an earnest-ness which meant that they were not triffing. A short discussion and by the switch being misplaced, which occurred by the awitch being misplaced, which and having been laken off the previous night. When the locomotive struck the switch, the track of course gave, which will be the side of the pastions of the pastions of the previous distinctly stated it will only extracted and not overwhelming majority decided to anstain the article, and the made and noverwhelming majority decided to anstain the article, and the mand having been laken off the previous night. When the locomotive struck the switch, the track of course gave, which

LOUISVILLE, KY,, Dec. 18, 1866. can't get a house to live in for anything The Radical organ at Lexington,

LOUISVILLE, Kr., Dec. 18, 1866.
An agency in the business portion of the city would obviate these difficulties, and prove allke beneficial to the road and the merchants.
